

## Queen of Hearts – Juice Newton

**Intro:** G F C G C F F G C F G C

### Verse

C

Midnight, and I'm awaiting on the 12:05,

F

hoping it'll take me just a little farther down the line

C

Moonlight, you're just a heartache in disguise;

F

won't you keep my heart from breaking if it's only for a very short time?

### Chorus

G F C G C F

Playing with the queen of hearts, knowing it ain't really smart

G C F G C

The joker ain't the only fool, who'll do anything for you

G F C G C F

Laying out another lie, thinking about a life of crime;

G C F G C

that's what I'll have to do, to keep me away from you

C

Honey, you know it makes you mad;

F

why is everybody telling everybody what you have done?

C

Baby, I know it makes you sad,

F

but when they're handing out the heartaches you know you got to have you some

### Chorus

G F C G C F

Playing with the queen of hearts, knowing it ain't really smart

Lovers, I know you've had a few

**F**

But hide your heart beneath the covers and tell 'em they're the only one

And it's a-hard to be a lover when you say you're only in it for fun
