

Somebody Like You – Keith Urban

Intro: **F**

F
There's a new wind blowin' like I've never known

I'm breathin' deeper than I've ever done

A# **F**
And it sure feels good to finally feel the way I do

C **A#** **F**
And I wanna love somebody, love somebody like you

F
And I'm lettin' go of all my lonely yesterdays

I've forgiven myself for the mistakes I've made

A# **F**
Now there's just one thing, the only thing I wanna do

C **A#** **F**
And I wanna love somebody, love somebody like you

[Chorus]

A#
Yeah I wanna feel the sunshine,

F
shinin' down on me and you

A#
When you put your arms around me,

ya let me know there's

Dm **Gm**
nothin' in the world I can't do

F
I used to run in circles, goin' nowhere fast

I'd take one step forward, end up two steps back

A# **F**
I couldn't walk a straight line, even if I wanted to

C **A#** **F**
I wanna love somebody, love somebody like you

Oh, here we go now...
